

Introducing The New Natasha Denona Star Liner

New liquid and gel eyeliner duo with a unique 2-step solution that emphasizes the lash line by giving eyes a gorgeous subtle sparkle

Comes in three gorgeous shades

Black- A black liquid liner with black and grey sparkle

Purple- A deep purple liquid liner with a purple sparkle

Blue- A deep blue liquid liner with blue sparkle

Step 1: Apply liquid liner close to lash line.

Wait 2-3 minutes to dry.

Step 2: Apply clear glitter liner on top of the liquid base coat.

Water Resistant

Long Lasting

Absolutely NO Glitter Fallouts

Very easy to remove with any makeup remover

BLACKEST BLACK

DARK VIOLET

BLUE

"I created this product because each time I create smoky eye looks for my clients and on models for photo-shoots, I imagine adding an eyeliner to the smoky eyes with an undercover sparkle that is monochromatic. My Star Liner transforms dark smoky eyes into a smoky glam"

Natasha Denona
